

Gym Practice Request Form

As of Nov 29, 2011, any team wanting to rent a gym for practices must deal directly with the school board. All gyms that NVFC had in its allocation have been rented. You must find out from the school board what is available.

School Board Contact: Rita Millikin RMillikin@nvsc44.bc.ca

Rita has asked that you download their [Facilities Rental Application](#) and complete the form before you send her an email. *(do not call her as her response to email is quicker)*

A few reminders:

- Current rental rate is \$29.23 / hour – tax included.
- Your payment will be made directly to the school board – Rita will provide payment details.
- At this time of the year availability is limited. You probably will not get your first request. Be flexible and she will find the closest match to your request.
- Please READ & RESPECT the School Board Rental rules that she will send you. Make sure all parent & players on your team know these rules.

Thank you,
Your NVFC Gym Assignors
